1. Purpose

This policy and procedure have been designed to ensure that Australian International Institute of Technology has appropriate support and wellbeing services available to international students to ease their transition into life and study in Australia and to assist them as needed throughout their student journey.

Australian International Institute of Technology is required to determine the support needs of individual learners; and as a result provide access to educational, support and wellbeing services (such as, but not limited to Language, Literacy and Numeracy (LL&N) support and assistive technology) that is necessary for students to meet the requirements of the training products as specified in relevant Training Packages or Vocational Education and Training (VET) accredited course on Australian International Institute of Technology Scope of Registration.

2. Scope

This policy and procedure must be observed by all Australian International Institute of Technology employees, consultants, Education Agents, and external third parties who are directly involved in the daily governance, operational and the delivery of training and assessment functions of the registered training organisation.

3. Definitions

Training support services - means services and resources designed to support and skill VET students to meet training product requirements and complete the training product in which they are enrolled.

Wellbeing Support Services - means support services and resources to assist with VET students' physical, mental, and emotional wellbeing.

4. General Guidelines

4.1 The aim of this policy and procedure is to provide opportunities to maximise the chances of Australian International Institute of Technology's International students successfully completing their training within their period of enrolment.

To achieve this aim, Australian International Institute of Technology will:

- Identify any support individual students need prior to their admission, enrolment or commencement (whichever is the earliest); and
- Provide *"access*" to the training support services and wellbeing support services that are available to the VET student.

4.2 In accordance with the "*National Code 2018, Standard 6 - Student Support Services"*, Australian International Institute of Technology will support international students so that they can:

- Adjust to study and life in Melbourne and Australia, so that they achieve their learning goals, and;
- Achieve satisfactory academic progress towards meeting the learning outcomes of the course in which they are enrolled.

The provision of this support will be at no cost to the student unless they are referred to an external support organisation i.e., the costs associated with the initial referral will be borne by Australian International Institute of Technology, however the student will be responsible for any ongoing costs that may arise as a result of a referral.

4.3 Australian International Institute of Technology will provide the opportunity for enrolled students to participate in services or provide access to services designed to assist them in meeting their course progress requirements; and where necessary to maintain their attendance requirements.

4.4 Australian International Institute of Technology will provide the opportunity for students to access welfare-related support services to assist them with issues that may arise during their study, including course progress and attendance requirements and accommodation issues. These services will be provided at "***no additional cost***" to the student. If Australian International Institute of Technology refers the student to external support services, Australian International Institute of Technology "***will not charge for the referral***". However, any on-going costs associated with a referral will be paid for by the individual student as required.

4.5 Australian International Institute of Technology's "*Critical Incident policy and procedures"* covers the action that will be taken in the event of a critical incident, what will be required during the follow-up to the incident, and what records of the incident will be taken and action/s taken following the incident.

4.6 Australian International Institute of Technology's Student Service's Manager is the "***nominated point of contact for all students***".

4.7 Australian International Institute of Technology will have sufficient student support personnel to meet the needs of the enrolled students, please refer to the Australian International Institute of Technology "*Organisational Chart"*.

4.8 Australian International Institute of Technology will ensure that any staff who interact directly or indirectly with students are aware of Australian International Institute of Technology's obligations under the *"ESOS framework*" and the potential implications for students arising from the exercise of these obligations.

5. **Orientation, Onboarding and Induction Program** (Topics and Sources of Information)

6. **Language Literacy and Numeracy (LL&N) Support** (Overview)

6.1 During the application process Australian International Institute of Technology requires all international students to undergo a "*Pre - Training Review (PTR)"* and *"Language, Literacy and Numeracy (LL&N)"* assessment relevant to the qualification in which the student is enrolled to determine whether or not to provide specific the student with specific language, literacy and/ or numeracy support.

6.2 When the student has completed the Language, Literacy and Numeracy (LL&N) assessment an Assessor will determine whether additional support needs to be provided.

6.3 Where additional support is required, the Academic Manager will discuss the extent and timing of the support with the Trainer, Assessor and/or the Student Services Manager.

6.4 The outcome of this Language Literacy and Numeracy (LL&N) diagnostic and assessment will be recorded on the "*Student at Risk Form"* and will be added to the student's file, digital and physical.

7. **Student Counsellor** (External)

7.1 Australian International Institute of Technology as required will provide student's access to a qualified Student Counsellor. The focus of any counselling session will be to advise and provide counselling to enrolled students in an intercultural context specifically, but not limited to:

- Academic and future progress advice; and
- Welfare and/or wellbeing matters that are affecting the student

7.2 Throughout any counselling sessions, any comments made by a student will be treated-in-confidence and managed in accordance with the "*Privacy Act 1988".*

8. **Student Requested Assistance**

8.1 When requested by a student or a group of students, Australian International Institute of Technology will provide advice and assistance with a range of issues, such as making transitions to a new culture, work, general financial management, health, and well-being or refer students to an external organisation for more serious matters, including matters of mental and physical health.

9. **Social Inclusion Activities**

If requested by a student or group of students Australian International Institute of Technology will provide them with the opportunity to be involved in a range of social activities in an equitable and safe environment.

10. **IT and Digital Support**

If requested by a student or group of international students Australian International Institute of Technology will provide them with IT and Digital support in the classroom.

Students should initially make contact their trainer with any issues relating to IT and Digital Services; if their trainer cannot address the matter, they are directed to raise the issue with the Student Services manager for resolution.

11. **Accommodation Services**

If requested by a student or group of students Australian International Institute of Technology will provide advice and/or information about locating affordable, safe, and convenient accommodation.

Australian International Institute of Technology's Student Service's Manager will encourage students to research the options offered and choose an arrangement that best suits their own budget and study requirements.

If a student requires temporary accommodation Australian International Institute of Technology will arrange to book the accommodation on a student's behalf, but Australian International Institute of Technology needs at least "***ten (10) working days***" notice prior to arrival.

12. **Airport Reception**

If requested by an international student or group of students, not less than "***ten (10) working days***" prior to their arrival, Australian International Institute of Technology will have the student met at Melbourne Tullamarine or Avalon Airports by a delegated responsible Australian International Institute of Technology employee and transported to their accommodation within the greater Melbourne area.

13. **Accessibility to Australian International Institute of Technology Employees**

13.1 All students will have access to Australian International Institute of Technology's Trainers and/or Assessors during the hours of their scheduled timetabled classes. If outside these hours, students will need to contact the Australian International Institute of Technology Academic Manager to schedule a session or workshop to discuss any matters dealing with their academic progress and studies.

13.2 Trainers and/or Assessors can be contacted via their official Australian International Institute of Technology email @aiit.edu.au.

13.3 All students will have access to Australian International Institute of Technology Student Support, Wellbeing Services and Administration team during normal business hours (*Monday to Friday, 9am to 5pm*). If students require access outside these hours, an appointment will need to be made with the Academic Manager to arrange a suitable time.

14. **Review and Improvement of Student Services**

Australian International Institute of Technology is committed to reviewing and improving the Student Support, Wellbeing Services and Administration it provides to all enrolled students.

The process of capturing relevant data will include:

- Orientation, Onboarding and Induction Survey's;
- Student Evaluation of teaching Survey's;
- Student Evaluation of Services Survey's;
- Learner Questionnaire's;
- Review of Student Support, Wellbeing Services and Administration requests;
- Complaints and Appeals Register.

15. **Responsibility**

The Student Service Manager is responsible for the effective implementation and management of this policy as well as provision of information on how to resolve complaints of breaches of this policy.

Any complaints or breaches in relation to this policy should be reported to the Chief Executive Officer (CEO) in person or by email to ceo@aiit.edu.au.
