PRE - ENROLMENT INFORMATION FACT SHEET

General English (Beginner to Advanced Level) (Course CRICOS Code - 0101697)

What is the General English (Beginner to Advanced Level) course?

The purpose of the General English course is to provide overseas students with a strong, well-balanced knowledge and application of the English language. It is taught in an inclusive, fun, and practical manner which will engage and motivate students.

The course provides an opportunity for students to learn, make errors, receive feedback, and engage in authentic, functional, and practical conversational settings.

Students will study the four macros of speaking, listening, reading, writing and grammar, vocabulary, and pronunciation. The course will prepare them to use English confidently outside the classroom or to progress to further English study.

The General English course is delivered over 6 levels (i.e. Beginner, Elementary, Pre-Intermediate, Intermediate, Upper Intermediate and Advanced) with each level spanning over 13 weeks inclusive of public holidays, re-assessment, and catch-up days.

Students can only commence on any Monday and upon arrival, all will complete an English Language Proficiency Assessment and placed in their appropriate level for optimum learning.

What is the duration and mode of study of this course?

Minimum of 4 weeks to a maximum of 78 weeks (including public holidays, re-assessment, and catch-up classes) - full-time study which will be timetabled over several days per week.

Facilities, Resources and Training Locations

- Corporate Head Office - Level 13, Suite 17, 401 Docklands Drive, Docklands, Melbourne, Victoria, 3008
- Lygon Campus - 390A Lygon Street, Brunswick East, Melbourne, Victoria, 3057

What are the course entry requirements?

Australian International Institute of Technology requires that all students be 18 years or over at the commencement of enrolment.

All students will complete an English Language Proficiency Assessment and placed in their appropriate level for optimum learning.

Subjects and Topics

The Four English macros as well as Pronunciation and Grammar. The four macros are Speaking, Listening, Reading and Writing English Language. For more information, please refer to https://aiit.edu.au/courses.php.

Assessment Methods

The program is classroom-based delivery **face to face** with trainer led training in classrooms, and computer labs.

A variety of weekly formative activities (for speaking, listening, reading, and writing); and Unit Summative Assessment Tasks for Units 1-4; 5-8 & 9-10 or 12 to assess the student's academic progress and provide feedback

For a student to level-up (i.e. progress to the next level) they will be required to achieve an overall score of 70% in across the 4 English Macros of Speaking, Reading, Writing and Listening for Units 9-10 or 12.

Finally, all enrolled Students will be provided with a Transcript of their summative assessment results, partial or completed.

Pathways

There are no articulations or formal pathways into Vocational Education and Training (VET) or Higher Education courses on completion of this General English Course.

However, after achieving and completing the General English - Intermediate Level, a student will be eligible to apply to enrol into a Vocational Education and Training (VET) qualification on Australian International Institute of Technology 's scope of registration, such as:

- BSB40520 Certificate IV in Leadership and Management
- CPC30220 Certificate III in Carpentry
- SIT30821 Certificate III in Commercial Cookery

Refunds and Fees Protection

Please refer to Australian International Institute of Technology's Refund Policy and Procedure and the Tuition Fees Policy for further information; available online, https://www.aiit.edu.au/policies.php, in the Australian International Institute of Technology Student Handbook or at an Australian International Institute of Technology Campus.

Wellbeing, Safety and Security

If students are timetabled to attend classes after 6pm or on weekends, it is recommended for the student's own interest to travel to and from using transport in groups as they should not isolate themselves when travelling to and from Australian International Institute of Technology's Campuses.

Deferment, Suspension, Withdrawal, and Cancellation

For the complete policy and procedure, please request a copy at our City Campus Reception or visit our website https://www.aiit.edu.au/policies.php

Student Support and Wellbeing Services

Australian International Institute of Technology offers a range of Student Support and Wellbeing Services that caters for the needs of all students, including wellbeing services, language literacy and numeracy support, career counselling, social inclusion activities and IT and Digital support (where identified, required, and requested).
